His own path

Photographer and entrepreneur, graduated from ESPM, with specialization at Harvard Business School in the OPM program (OPM44) and Strategic Management and Innovation at Wharton Business School.

In 2019 starts to put in motion the, lifelong dream, of becoming a “professional” photographer and the art market seemed to have enjoyed this decision of his, being that since then he has had the opportunity to showcase his work in several renowned establishments from the Brazilian art world, such as two individual exhibitions at major Brazilian art fairs, such as Art Sampa and FotoDoc, awarded second place overall, both in 2022.
